

Professional Security Monitoring for Yolink

Billing information:

Professional monitoring service and dispatch for residences or businesses, one address per account.

Cost of service is \$8.95 per month per account, includes monitoring of security devices, smoke/CO detectors and water leak detectors.

Your credit card will be charged first and last month at sign up, totaling \$18.90. Your credit card will be charged \$8.95 on each monthly anniversary of your sign up.

You may cancel at any time and your credit card will not be charged again. Service will terminate on the anniversary date of sign up, after the remaining days in the month in which you cancelled plus one more month.

Alarms are verified via APP, SMS, and automatic call verification, giving the user the option to cancel dispatch. Lack of response to verifications results in dispatch.
