

Professional Security Monitoring for Yolink

Monitoring services are provided by **VirtuAlarm Systems**

a third-party service provider to Yosmart.

FIRST 2 MONTHS FREE

Cancel anytime

Billing information:

Cost of service is \$9.95 per month, includes monitoring of security devices, smoke/CO detectors and water leak detectors.

Your credit card will be authorized, not charged, till 60 days after sign up.

Then you will be charged first and last month, totaling \$19.90. Your credit card will be charged \$9.95 on each monthly anniversary of your sign up.

You may cancel at any time and your credit card will not be charged again. Service will terminate on the anniversary date of sign up, after the remaining days in the month in which you cancelled plus one more month.

Alarms are verified via APP, SMS, and automatic call verification, giving the user the option to cancel dispatch. Lack of response to verifications results in dispatch.
